

\$344,599! A Grateful Thank You!

Cape Cod Charitable FunRaisers and our deserving 2010 benefiting agencies would like to extend our most sincere thanks to all involved with the 19th Annual Last Gasp Bike, Boat 'n Bake. It was a fabulous year!

It takes literally hundreds of people to execute the Gasp and thousands of people contribute monetarily. Unfortunately, there are far too many to be able to name here. We do want to express our grateful appreciation to our sponsors, riders, vendors, beneficiaries and most especially our volunteers for helping create and execute the best Gasp ever. The weather was spectacular, the ride and bake were awesome and we **broke our all-time fundraising record.**

Thank you to all that took part in any way. Congratulations, and see you next September!
